Thanks for the clarification and information. As mentioned, Mrs. Galletti has kindly offered to show Mrs. Pruitt around Bologna, her hometown. Mrs. Galletti speaks English and we can let her know if Mrs. Pruitt has any particular interests.

I understand, I was just informing you because we had a conversation about what Mrs. Pruitt's background was in. I was unaware at the time.

Thanks Ryan. According to DOE, an official role and invitation is required to be part of the official US delegation and we will also need to run it by ethics. Mrs. Perry spoke on the health-energy nexus at the G7 Energy Ministerial side event which was focused on Africa. Can Mrs. Pruitt speak on the health-environment nexus at the G7 Environment Ministerial side event on food waste. If so, I can ask Italy to invite her to speak at the side event and run it by ethics.
